BANG

DANIEL PEÑA READS FROM HIS WORK

Daniel Peña will read from BANG, his debut novel about the contemporary drug wars in Mexico. Vividly portraying the impact of international drug smuggling on undocumented Americans, BANG probes the loss of talented individuals and the black market machines fed with the people removed and shut out of America.

Daniel Peña is a Pushcart Prize winning writer, blogger, book reviewer, and journalist. He is currently a regular contributor to The Guardian and his novel, BANG, is forthcoming from Arte Publico Press. Outside of his appointment in Leipzig, he is an Assistant Professor in the Department of English at the University of Houston-Downtown.
